## NOTIFICATION OF ERROR IN PAYMENT OF FEESRECEIVED AS A SMALL ENTITY UNDER 37 C.F.R. § 1.28(c) JAN / 6 2006

Commissioner for Patents P.O. Box 1450 Alexandria, Virginia 22313-1450

TC 1700

## Dear Sir or Madam:

- 1. The United States Patent and Trademark Office was previously advised of an error in payment of the issue fee as a small entity in a "Notification of Error in Payment of Fee(s) as a Small Entity" filed on February 23, 2005. Based upon recently received information, the statement in the Notification was incomplete.
- 2. On April 1, 1999, application 09/269,723 was filed, entering the U.S. National phase under 35 U.S.C. \$ 371, and a large entity fee of \$970.00 was paid.
- 3. On June 1, 1999, a small entity assertion was filed in the above-identified application (eventually issuing as U.S. Patent No. 6,399,176) and a refund in the amount of \$485.00 of the filing fee was requested and later received.
- 4. The assertion of small entity status in the application and the payment of fees as a small entity were done in error without any deceptive intent.

## 5. <u>Itemization of the Fee(s) Erroneously Paid as Small Entity</u>

In accordance with 37 C.F.R. \$ 1.28(c)(2), the itemization of the deficiency payment is as follows:

Type of Fee Erroneously Paid and Date Fee Paid	Small Entity Fee Actually Paid	Deficiency Owed
Statutory filing fee paid on April 1, 1999	\$485.00	\$515.00
Petition for extension of time for reply within the first month paid on October 10, 2001	\$55.00	\$65.00
	Total Deficiency Owed	\$580.00

The current fee amount for other than a small entity for the filing fee in this application is \$1000.00.

The current fee amount for other than a small entity for the filing of a Petition for Extension of Time for reply within the first month is \$120.00.

Applicant previously submitted a Notification of Error in Payment of Fees as a Small Entity on February 23, 2005, and paid the deficiency owed (\$760.00) to correct the erroneous payment of the Issue Fee as a small entity.

Thus, the total deficiency payment owed is (\$1000.00 - \$485.00 = \$515.00 plus \$120.00 - \$55.00 = \$65.00) \$580.00.

Applicant requests that the total deficiency owed (\$580.00) be charged to Deposit Account No. 06-1135.

Applicant requests that the error in payment of fees as a small entity be excused upon payment of the deficiency between the amount paid and the amount due.

Applicant believes that there were no other fees paid as a small entity in the prosecution of the above-identified application.

The Commissioner is authorized to charge any deficiency and/or additional fees required by this communication or credit any overpayment to Deposit Account No. 06-1135.

A duplicate copy of this paper is attached.
